Together, we are facing a truly unprecedented situation. The global coronavirus pandemic is affecting all of our families, our businesses, our communities, and our way of life. During this time, we wanted to reach out and update you on how we're approaching the situation at Wunderpit Music.

Many 2020 winter season Wunderpit Music customers were not able to finish their seasons due to the cancellation of all circuit and WGI championships. For this reason, all 2020 winter season customers will have their license extended through April 30, 2021, if you request to do so.

What does this mean? If you wish to perform the same show purchased for the 2020 winter season, you may choose to perform it again in 2021, free of charge. We realize that some of you may choose to move on and do something different for educational or for refresh purposes, yet the financial effects may not allow every program to do so.

In order to use the same show for 2021, you would need to contact us with your intent to use the same show in 2021, but only once you are completely sure! Please realize that we will instill regional protection for your team, so if you decide to change your mind at the last minute, it could result in a loss of sales for our business.

We realize that we are somewhat far away from the 2021 winter season and that much can happen between now & then. Please send your confirmation to us, if you wish to use the same show, no later than October 1 so that we may continue having regional protections properly in place for the 2021 winter season.

We thank you for your business!

Well Wishes,  
Jim Wunderlich & the WP Music Team
